

June Tri-Cities MSA VFS Match June 28, 2014

A pretty fair turn out showed up for our June Varmint for score match and for the deser part of the evergreen state the weather wasn't too bad, not too windy, not too hot and not too much mirage until into the 200 yard match, then it got fun. Along with the fun that we haed with the conditions we had a small family feud with 3 generations of the Mayer family showing up, Dick Mayer his son David and his grandson Jared. Jared used to shoot with us as a teenager. Jared was a nice young manwith good manners, his only fault was he liked to whup us old men even at the young age of 13. Jared took a few years of from shooting to go off to school and now at the age of 21 he came back to shoot with us. It is good to see Jared again and to see that he has grown up to be just as fine young man that he was a few years ago, still pleasant, polite and still likes to put a whuppin to us, even beating his poor old grandpa out of second place at 100 yards. Grandpa came back to make us old guys proud by coming back at 200 yard to take second while Jared took 3rd. Paul Gyilling was the only one that could best the Mayer's claiming first at both yardages. Welcome back Jared.
