

Tri Cities MSA Hunter Match in July 26, 2014

July HBR Match, Tri-Cities Wa.

Not to many showed up for our July shoot with it being right in the middle of wheat harvest, the raging forest fires, price of fuel, lack of powder, primers, old age, poor eye sight and the Hydro-plane boat races going on in the Tri-Cities this weekend but of the 6 of us that showed up we had a good time. Once again you won't see my name in the top 5 but I want you to know that it is just part of being a good host. How could I expect my friends to show up to a match that I am running and then out shoot them. Poor manners I say.
