

NTSA's August VFS Competition

On August 17, 2014 North Texas Shooters Association held their Varmint For Score match with twelve shooters in attendance. The Pullum Brothers dominated the day taking turns at yardage wins starting with Dwayne in the 100-yard competition then trading to brother Richard in the 200-yard stage. Ultimately it would be Richard's win at the Grand Aggregate when the last shot was fired. Honorable mentions to Dr. Tim and Renard Alexander for giving the brothers a good run for the money in the Texas heat. Thanks to everyone for attending.
